

This is "the Truth"

If we just turn things upside down

We can't know God and feel his presence

I would be lying to you if I said that

The almighty wants to be your father

That God has a plan for your life

That he wants to know you

That you are wanted

That you can be loved

But you must know

You do not deserve any of this

And I am convinced of this

Because I know the heart of man

We are forever separated from God

I refuse to believe under any circumstance that

We could be loved by God right now

Because of our dependency on Christ

We have lost the connection to God but

There is so much more you don't know

This is "the truth"

God is Holy and we are not

*You should know the exactly
The opposite is true*
